Chapter 1 by Story Wars

"Mr. Trump, your plane is here," the butler told Trump.

Trump had his hair styler (a person with a leaf blower, by the way) put finishing touches on his terrible hair. Trump pulled on a suit jacket and strolled to the plane. He got on the plane and buckled his seatbelt as the plane lifted off.

A few hours later Trump got off the plane and walked through the entrance of Jurassic World. He checked into his first class hotel room and went to the Hatching Room. He watched a group of velociraptors hatch, then decided to leave.

That's when the Indominus Rex escaped.

Chapter 2 by Hyperchipmunk

Trump, not knowing decided to go to a show about dinosaurs. He didn't even really want to, but at least it kept him busy.

Meanwhile, the Indominus Rex was trying to sniff out his tasty snack that he had lost track of. (this tasty snack was the managers that had watched him his whole entire boring, stupid life) This is where it really got interesting.

Sang their mating songs through the whole date. He gazed into the cold, deep eyes of the dino. She looked back at his equally cold eyes. She brushed a wisp of hair from his forehead. Trump gave a little giggle and reached for a box in his pocket. He got down on one knee.

"Will you marry me, babyyyyyy?"

Chapter 5 by The Writer

The Indominus Rex was speechless. And she was a stress eater.

The dinner took a turn for the worse. She had ate Trump's wig right off his head. His face turned bright red with anger.

"What have you done?!"

She pleaded for forgiveness as he pulled a new wig from his suit. He didn't care for excuses.

"I trusted you. Goodbye, REXY."

He left the restraurant and found a place in Jurassic Park to sit and cry. His wrinkly face became wet with his flood of tears. Then he felt a claw rest on his shoulder. He noticed it didn't feel like REXY's claw. Trump turned his head and saw a skinny, good looking raptor looking at him with wide, yellow eyes.

Trump wiped his tears away. He had just found a new babe.

"Hey gurl, you looking fineeee!"
